

Dear Concerned Grandmother,

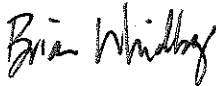

I was pleased to receive your letter in reference to your concerns about your grandson. I had hoped to hear from you as a result of our pleas for information. My name is Brian Whidby, I am a Special Agent with the Georgia Bureau of Investigation and I am responsible for finding Kristi. I have worked towards that goal since her disappearance.

I understand from your letter that you believe that your grandson may be involved with Kristi's disappearance. You cannot ignore the chain of coincidences surrounding your grandson's twelve day stay with you in August 2009.

I believe you are a Godly and caring person. You made the right decision by contacting us with your letter. I now ask you to continue your journey with us and contact me. I understand that you have concerns about your family and I ask that you pray about your decision and do what is right.

I ask that you contact me and we can eliminate any doubt in your mind about your grandson. We can learn together if your suspicions are mistaken about your grandson. I pray you can understand why I must ask you to take the next step in our journey and contact me. You can call me on my cellular telephone at 706-969-5706, email me at [bwhidby811@yahoo.com](mailto:bwhidby811@yahoo.com) or write me at 79 Cobb Vantress Drive, Cleveland, GA 30528.

Sincerely,

Brian Whidby
